13th October 2009

Mr Brad White
General Manager
Cottesloe Golf Club
173 Alfred Street,
Swanbourne,
WA 6010

Dear Brad,

Manly has recently received approval to undertake major works in reconfiguring the golf course in line with plans prepared by Thomson Perrett.

It is expected that over the next two years play will be restricted to 12 holes albeit competitions will be 18-hole competitions. Although visitors remain welcome those considering a trip to Manly should be aware of our restricted conditions.

We look forward to completion of the works and our new challenging course which will no doubt make visits to Manly even more appealing for your members.

Kind regards

Yours sincerely,

E J HYNES
General Manager
